Introduces The Artisan Collection

## Custom Carved Doors

Signed by **Enkeboll Designs**

Cal Door is proud to introduce their exciting new line, **The Artisan Collection**, featuring custom carved doors engraved by the premier wood carving leaders, Enkeboll Designs. The first of its kind, The Artisan Collection features beautiful designs expertly carved into wood doors recreating the richness of Old World craftsmanship...in today's kitchen. Unlike common plant-ons or carved appliques, these designs are individually custom carved into the wood corners on the stiles and rails and/or the corners of panels.

**The Doors**  
 That make dream kitchens

## The Artisan Collection: Custom Carved Doors

Signed by **Enkeboll Designs**

Now cabinet shops as well as architectural design firms and designers can offer their most discriminating clients this custom one-of-a-kind product that adds a rich elegance to any kitchen. Choose from three exquisite designs: Grape, Shell or Oak Leaf.

The custom carvings are available on stiles and rails in the **Delaware** and **Rochester** door styles and panel carvings are offered in any door style with the **L-panel** profile. Choose from carved designs on one, two, three or all four corners. The Artisan Collection is available in most woods with the exception of soft woods such as pine, poplar and rustic woods.

You can complete the total Artisan Collection look with matching products purchased directly from Enkeboll Designs in their carved component products in the Grape, Shell and Oak Leaf designs including corbels, crown molding and a multitude of other products...
