Rope molding: Not provided on radius doors. Will have groove on frame to accommodate.

Knotty or Rustic Materials: No knots on frames or solid slab drawer fronts.

SPECIFICATIONS

Standard Radius: 12", 18" and 24"

Custom Radius: Program and fixture charge will be added. No templates needed.

Radius doors are mfg. with tangential but linear stiles as per the technical design so you can easily install European hinges and handles of any style.

Pricing will be calculated and faxed/e-mailed to customer for approval to develop CAD drawings.

CAD drawings will be produced and faxed/e-mailed to customer for approval PRIOR to production.

Radius doors will be delivered 10-12 weeks after receipt of approved CAD Drawings.

Glass and French Lites available on most styles.
